

Annual Report 2015

LINGO does not count with paid staff and all our work is voluntary. For this reason we do not yet produce a detailed annual report.

Highlights of our work in 2015 have been:

- We co-organized Climate Strike with a keep-it-in-the-ground focus ([Link](#))

- We set up and managed the [China Global Infoshare](#) mailing list.
- We co-led the “Keep it in the Ground in the Americas” Alliance Policy Working Group.
- We organized a meeting on the “No New Coal Mines” campaign at COP21.
- We held workshops at the [Conference of Youth in Paris \(COY11\)](#).
- We published an analysis on the projected impacts of the Paris Agreement on fossil fuel extraction: “The Paris Mirage”. ([Link](#))
- We published an analysis on reframing energy security for the 21st century. ([Link](#))
- We organized a [solidary accommodation mechanism](#) for COP21 in Paris.

- We actively participated in side-events at COP21 in Paris.
- We piloted grid-tied solar photovoltaics in Villaflores, Chiapas

- We helped channel funds of [Rainforest Action Network's Climate Action Fund](#) to coal and oil resistance in Colombia and Malawi.
